All of my emails are spoofed and all of my credit cards and SIM cards are not functioning. My phones are all new & I have purchased them to avoid the spyware likely attached to my Bell network at home but is preventing my Google Pixel 8a from screenshots & video editing evidence from uploading on my facebook using judicious fraud regarding carlions citraha 2015 HAD 1126 wondering my name to be anonymous. The 2016-2541-5 application decision with citation 2023 HAD 1142 is NOT uploaded on ctvci.org and my emails are all prof and this is connected to my medical records & disability (I am neurodegenerative) & Palestinian and a dancer. I am likely lead 1 author or Asperger & I need to dance as an accommodation this cyber stalking is connected to my SIM and connecting to my wifi at home spread it. Any other new phone device (3 others) even

of anti-payment started being made using my Amazon & Paypal accounts as well as facebook. I cannot keep the any of my banks or credit cards except at the library and on May 7, 2025 and May 8, 2025 @ Emerald Plaza library I took screenshots of numerous fishing attacks on my library desktop screen. This happened again at 100 Malvern after talking to RCMP on the same day (July 10) but the notification said my PINs to my bank account were captured so I called police and went to the bank to change my passwords. I have bought 3 new phones and cell 3 that the my online uploads and even when my vet emails are my cat vet records, I don't get them. All my inboxes of emails attached to my medical records are all deleted, including

Neurodivergents have a 66% higher suicide rate than regular people. The University of Waterloo has recently been reported on by their student to the IPC and CTU newscast (Capitol Waterloo University Factel Recovery and Surveillance) CTU news reported Waterloo University for illegal surveillance of students using 29 smart vending machines. High IQ statistics or Asperger's are neurodivergent that research lacks on. We have lagging on the last part of our face under mental local like being a graduate student]. We need music and dancing to regulate our nervous system. I believe Waterloo University played a role for Neurodivergence and installed spyware to conduct research without my consent. I believe the ~~University~~ Waterloo University professors are involved and they spending in networks and surveillance linked to →

I have uploaded evidence of how the spyware and cyber stalking by flying facebook live off <https://www.facebook.com/lexbeeds8> and how there are many fake facebook accounts linked to my ~~last~~ legal name so my friends cannot find me. Lots of my evidence put especially on my dance streaming content is not showing publicly and my ability to ~~make~~ alter my privacy settings is disabled. I am a normal person, not a celebrity, I have around 300 friends. It doesn't make sense why my dance content with Dr. Janice Springer of the Salva has 1000-2000 views (older 2023 uploads) and while they don't show on Google+ I uploaded them again & they keep being blocked so this is likely connected to studying us without our consent because we unaware as in high school and I slowed down our videos to show this. I also
